

KanPrint — Simplicity in Print

What is KanPrint

KanPrint, as opposed to Can't Print.

Our KanPrint Full Managed Print Solution is the only truly fully managed print solution available.

How often are you unable to print? Out of paper, out of Toner, need a drum etc? How much time and effort (therefore cost) is required to manage your printers and supplies?

KanPrint is our solution to this. With KanPrint we proactively manage your entire printing requirement.

For a fixed monthly fee we supply the Printer, Installation, Consumables (Toner, Drums etc), Repairs and even PAPER!

All you need do is Print, we supply and manage the rest.

Plans range from 500 pages per month through to 20,000 pages per month and can be on Mono, Colour, Multifunction or Large Format Printers.

Advantages of KanPrint

The advantages of this over conventional printing are enormous and include:-

- Minimal Printing Management – just time to replace toners, drums, paper etc.
- Simplified billing and Ordering – one bill, one payment. NO ORDERING.
- Simplified approval cycle – no requirement to have PO numbers raised approved and paid every time you need a ream of paper or toner cartridge.
- Never run out of supplies - we will ensure you have spare Paper, Drums, Toner etc in your office ready for when they are needed you will never be unable to print because of insufficient supplies.
- Fixed cost – smooth cashflow and no bill shock when you need to order several consumables at one time.
